

Product information

Mouth rinse ORAHEx,
alcohol free

250 ml REF 4250E
5000 ml REF 4250L

Characteristics

- Alcohol-free
- prevents plaque, caries, gingivitis and periodontitis
- offers protection against infections caused by prophylaxis
- very well tolerated, dermatologically tested
- pleasantly fresh and mild taste
- long-lasting depot effect
- applicable in case of limited oral hygiene ability

Areas of application

Mouth rinse solution ORAHEx alcohol-free is used for professional cleaning and care of the mouth and throat area.

The mouth rinse solution creates a fresh breath and, due to its antibacterial cleaning effect, helps to sustainably care for and keep teeth and oral cavity healthy.

Application

Rinse mouth with 10 ml of the ready-to-use solution twice daily for a maximum of 30 seconds each time and spit out the solution. Do not rinse the oral cavity with water.

Instructions for use

Contains 0.12% chlorhexidine gluconate. For external use only, do not swallow. If used for a long period of time, discoloration of the teeth can occur, but the stains can be easily removed by professional dental cleaning. Use the mouthwash for a maximum period of 2 weeks, consult a doctor for longer applications.

Components

AQUA, GLYCEROL, PROPYLENE GLYCOL, PEG-40 HYDROGENATED CASTOR OIL, PHENOXYETHANOL, CHLORHEXIDINE DIGLUCONATE, POTASSIUM ACESULFAME, AROMA, CI 42051.
